

**"That's the way to heat a house—
each room as you need it"**

By "driving" your furnace or steam heater to keep every room up to 70° or 72°, you invariably make some rooms stuffy—overheated. Up-to-date families keep the whole house reasonably warm with their regular heater and use a Perfection Oil Heater to make the most used rooms extra comfortable and cozy.

This is scientific, direct heating. Where you heat rooms only as they need it, there is a noticeable decrease in coal bills—less care, more comfort.

About 10 hours of heat on a gallon of kerosene

A Perfection Oil Heater will burn about

10 hours on a gallon of kerosene. It is so simple and compact a child could clean it—no fuss, no litter, no ashes.

Wherever you put it you find a radiant glow of cozy warmth. Boil a tea kettle of water on it, let it dry the clothes on a rainy day, take it in the sewing room, put it in the play-room. In coal saved, convenience and general usefulness, it pays for itself many times over.

Sold at leading hardware, housefurnishing and department stores—in black or blue finish—with or without nicked trimmings. Your dealer will gladly explain its operation. Look at one today.

For best results use Socony Kerosene.

VERMONT STATE OFFICERS WILL SPEAK AT ARMORY

Commercial Club Has Arranged for Public Meetings and 3 Speakers

The Commercial Club have arranged with three of the state officers to speak at Armory three Wednesday evenings upon the work of their several departments and the following are the speakers and their dates: Wednesday evening, Nov. 10, Hon. Benjamin Gates, auditor of accounts; Wednesday evening, Nov. 17, Hon. Harry A. Black, secretary of state; Wednesday evening, Dec. 1, Hon. Linus Leavens, state fish and game commissioner.

These meetings will begin at 8 o'clock and the general public will be cordially invited. The young folks in the upper grades of the public schools, and the parochial schools, and the students at the Academy, will be invited. It is the purpose of the Commercial Club to have the men and women of St. Johnsbury, and the young people as well, become familiarized with the constructive work our state officers are doing. This idea originated with the Burlington Chamber of Commerce where these speakers have already appeared and greatly interested large audiences and the idea has spread throughout the state and these state officers will tour the state the next three weeks and speak under the auspices of various civic organizations upon their respective departments.

Keep these dates in mind and plan to come out and get information from first sources as to Vermont affairs.

DEATH OF MISS HILLS

The people of the town of Lyndon learned with sadness last Wednesday of the sudden death Tuesday evening of Miss Elizabeth Hills, the beloved Public Librarian for 12 years of Cobleigh Public Library of this town. During the 12 years that she has worked here she has endeavored herself to all young and old, Elizabeth, daughter of Mr. and Mrs. Edwin H. Hills, was born in Dover, N. H., over 50 years ago. She came to this town from Northampton, Mass., 12 years ago. She was a woman of very fine character, and of a pleasing personality. In her work as Librarian she was always careful and painstaking always ready to give her advice cheerfully. She possessed a fine sense of humor and was always cheerful and interesting. She was very thoughtful of the sick, or lonely, or those in trouble and many will remember her kind acts with gratefulness. She was a very loyal member of the Universalist church. Miss Hills was taken sick last Friday morning in her room at the home of Mrs. J. W. Capeland. She was found in an unconscious condition about one o'clock in the afternoon. It is thought she suffered an attack of acute Bright's Disease. A nurse cared for her and every thing possible was done for her, but she never regained consciousness and died at a quarter past nine Tuesday evening. She left a paper stating her wishes in regard to her funeral, funeral, burials, and the disposal of her property and also expressed her appreciation of the kindness shown her by the people of Lyndon.

Funeral services were held at the library Thursday afternoon at 3 o'clock conducted by Rev. W. J. McFarlane who made some very fitting remarks as to her life among us. The Lyndonville graded school children attended the funeral in a body standing with bare heads outside the library during the service. This was done as a mark of respect and love to Miss Hills, who has always been so kind to the children of the town. The body was taken on the midnight to Dover, N. H., accompanied by C. R. Dodge and following bearers: John Wash, Roger Ladd, W. H. Parker, Peter Greenleaf, Charles Stevens, and Martin Daniels, and her cousin, Mrs. Foster Smith, of Lowell, Mass., who came to attend the funeral. Rev. H. H. Niles of Concord, her former pastor here, will go to Dover and conduct the service at the grave, and thus ends a busy useful life. One has gone from us who did what she could to help in the uplifting of all with whom she came in touch. "She hath left her gentle spirit here."

Miss Leane, Librarian of Montpelier and Miss Jenness, Librarian of St. Johnsbury were here to attend the funeral of Miss Hills.
